

The "LIMESTONE!"

This name means a good deal to the farmer who wants a good Plow. When you see it on one of these implements you can buy it with the guarantee of quality—every time. This Plow is made by the JAMES H. HALL PLOW COMPANY, a local factory whose fame is world-wide—an institution the citi-

zens of this section especially should feel proud to encourage with their patronage. Nothing but the best materials are used in these Plows and the models are of the latest and most approved design. We have for many years been the firm's city agents and will take pleasure in showing our leader to all who may favor us with a call. Repairs quickly supplied.

Tobacco Circles at Ripley Aroused Over the Reported Sale of the Spaulding-Merrick Factory.

RIPLY, OHIO, January 10.—The rumored sale of the Spaulding-Merrick factory at Chicago to the Continental Tobacco Company has caused consternation among shippers in this district. Admissions are general that the withdrawal of the Spaulding buyers from the Cincinnati and Louisville markets will seriously affect the price of lugs and good trashes.

Up to the first of the year a Louisville house had purchased about 100,000 lbs. from farmers here at something over \$5 per 100 lbs. Then the Continental people stepped in and began to pay \$8 and \$10 for round crops. Whether it will keep this up is not known, but raisers doubt it.

Several buyers still hold a large percentage of fine and fancy leaf of last season.

Mr. K. Larkin had a large number of chickens stolen the past week.

Mr. Philip Cummins' many friends will be glad to learn he is still improving.

George Reebles, Captain of the Bradford ferryboat, fell overboard this morning while the boat was in the middle of the river. By quick work on the part of friends he was saved from a watery grave.

One of the chicken thieves remarked to the lady of the house when she was protesting against his work, "Madam, would you risk being shot for the sake of a few chickens?"

The healthy old man wears his gray hairs like a silver crown. What if he be threescore and ten if there is still fire in his eye, firmness in his step, command in his voice and wisdom in his counsel? He commands love and reverence. Yet how few wear the mantle of age with dignity. Dim eyed, querulous of speech, halting in step, childish in mind, they "lag superfluous on the stage," dragging out the lag end of life in a simple existence. The secret of a healthy old age is a healthy middle age. The man who takes care of his stomach, who keeps his body properly nourished, will find that the body does not fail him in old age. The great value of Dr. Pierce's Golden Medical Discovery lies in the preservation of the working power of the stomach and other organs of digestion and nutrition. From this center is distributed the nourishment of the whole body, the salt for the blood, the lime for the bones, phosphate for the brain and nerves. A sound stomach means a sound man. A man who keeps his stomach sound by the use of "Golden Medical Discovery" will wear the crown of gray hairs as befits a monarch, with dignity and ease.
